Welcome to Brunswick-Topsham Land Trust's first mountain bike trails. These trails are open for mixed uses including mountain biking, hiking, running, snowshoeing, and skiing. Please yield to other trail users appropriately, and share respectfully – be nice, say hi!

These trails were made possible through a generous donation of land by Midcoast Regional Redevelopment Authority, and funding for building supplies from Midcoast Hospital. In addition, the Six Rivers chapter of the New England Mountain Bike Association created, built, and helps to maintain these trails. Please support and thank these valuable community groups!

### There's still work to be done!

This preserve still needs a trailhead kiosk, permanent signage, additional blazing, trail maps, a replacement for the jersey barriers at the entrance, fence removal, as well as support for long term stewardship costs.

Please consider making a tax-deductible gift in support of these needs!

We are coordinating a Giving Tuesday campaign this fall to raise funds for Neptune Woods.
