

When reviewing a PDF for final print approval, you should know that not all monitors or printers view or print the same.

If you are concerned about the color of your printed piece you should request a printed proof prior to your approval.

It is the customer's responsibility to double check spelling, grammar, layout and design BEFORE approving this PDF.

If a proof contains any errors and is approved by the customer, it is the customer's responsibility for payment of all original costs of printing, including setup charges and paper, as well as corrections and reprints.

No order will be printed without the customer's approval.
